## Block of the Month

April 2010

You will need:

10 x 10 inch square background fabric in light green solid, tone on tone or white, white on white,

1 large scrap – red, green, brown for butterfly

Black thread for the embellishment – either by machine or hand stitched

Again, use the colours of fabric you have been using all along.

Use your favorite method of appliqué and embellishment to make the butterfly appliqué

Bring completed block to next month meeting (May) for the BOM drawing.

Note: If you make an extra block each month you will have a 9 block sampler of all the blocks that we will have made this year.

Butterfly pattern is on the reverse of this page.
